## Please Help Us Keep Our Grounds Clean

Nova Scotia prides itself in its environmental policies. Our church wants to do its part helping keep our environment clean. Each cabin has been provided with a bucket to take care of food waste. Containers for garbage and recyclable items have been placed in strategic locations for your convenience. You will also find 2 large bins for garbage and 1 large bin for cardboard near the cafeteria. Please do your part in making our grounds a clean and safe place for everyone.

## SAVE OUR HORSE PROGRAM

As you may know, the **horsemanship program** at camp operates only from fees received from horse camps and donations.

**God has blessed us** for these past 4 years, and we are thankful to those who have supported this program in the past.

**During the summer**, we offer the program *Horses Highlighting His Word*, which parallels our relationship with God as our “Master” and a horse’s relationship with its master. Our campers are able to learn of a loving God who guides us, as we should lovingly guide our horse, and how we sometimes respond to God, as a horse responds to its master.

**We are greatly in need of donations**, if we are to continue to keep this program going past the end of this summer.

**In addition to financial donations**, we are in need of some equipment, including an ATV to care for our fields and arena, and saddles (which are gently used, but still in good condition).

**We ask you to prayerfully consider** the needs of the horse program.

**Donations** should be made to the Maritime Conference office, entitled Horse Program, attention Jullie Bannister.

Thank you. Kay Graça
