President's Welcome

The Maritime Conference would like to welcome everyone to our 2018 Camp Meeting.

Leading up to our Camp Meeting has been a very exciting time to see God actively moving in our whole Conference. I believe God is trying to bring us to a place in which we can turn all things over to His providence and to wait on Him. We have seen everyone take the best stance any Christian can ever be in...on our knees and asking God to work in such a way that we, on our own could never accomplish. Jehoshaphat learned this lesson when three invading armies had joined together to attack the tribe of Judah. He went with the people to the temple to fast and pray to the only One who could do anything to help. He prayed, "We don't know what to do, but our eyes are on you". What a prayer to pray. What a place to be in. Knowing that we can place all our trust in God to work things out for His glory.

For the last few years we have been focusing on a quote by Ellen White in which she says "Christ method alone will bring true success in reaching the people. The Saviour mingled with men as one who desired their good. He showed His sympathy for them, ministered to their needs, and won their confidence. Then He bade them 'Follow Me.'" MH 143. I believe with all my heart that God has been working on our Conference in order to make this us a living manifestation of the character of His Son. I have seen people pray for God to lead in their lives and then expect God to do what they want Him to do, but I can see that God is bringing His church to a place in which we learn to fully trust in His guidance and in a way that He knows best.

This Camp Meeting, I would like to ask you to pray for the outpouring of the Holy Spirit in such a way that our very characters start to mold into the Character of Jesus. That His method will become our method and His desire for others will become our desire. It is only when Christ's method becomes our hearts greatest desire will we be able to reach those outside our doors. This whole Camp Meeting experience we will be focusing on 'Christ's method alone' and I invite you to pray and partake of what God plans for you, our churches, and our Conference.

Please Welcome Tarah-Liz Springer

Tarah-Liz Springer came into the world destined to be a music note on the staff of life's journey. Raised in the Adventist faith, the church always gave her opportunities to spread her wings and generally encouraged youth to participate in church services and activities by using their talents for the Lord. Tarah believed that God used music to keep her active in His service. The Lord gave Tarah precious melodies and impressed her to apply them to the very scriptures He was using to strengthen her faith and to teach her children. A close friend asked Tarah if she would be willing to record the scripture songs and that she would find a way to sponsor the project. Henceforth came the birth of not only one CD but two. May His name continue to be praised and glorified through their ministry! She will once again be providing us with special music throughout campmeeting.
