Camp Meeting 2018 is drawing to an end. We have seen a direct outpouring of the Holy Spirit in all the lives of those that have been in attendance. Every message that has been presented has focused on "Christ method alone" and how the

looks under the guidance of the Holy Spirit. Around Wednesday of every Camp Meeting the tone of the Camp takes on a very Spiritual movement. Hearts begin to be melted. The Holy Spirit starts to move all of us in the direction God would have us go as a people.

As I type this out, it is Thursday evening and I had the opportunity to watch two people that are dear to my heart, make a decision for baptism in their lives. The Holy Spirit has been working and for all those that chose not to come this year, they have missed an opportunity of the Holy Spirit moving on their lives to prepare them for what is soon to come upon this world. It is too late on heavens timeline to get diverted from what the Lord has been directing us as a people. It is time that we start to cast off the things in our lives that are diverting us from the work that God has called our church to accomplish. Maybe it is material things that are keeping you back from where God would have you go, or could it be that you are clinging to messages that are hindering you and your church from accomplishing what Jesus has asked us to do....seek and save the lost. As we cast off the things that are holding us back, God's people will begin to grab hold of Him more and more each day to depend on His leading and His power to accomplish what is impossible for us as a church do do on our own.

As we prepare to head back to our homes, what we have learned through the presentations now need to be applied to our lives. If we leave Camp Meeting and go back to our regular routines and do not apply the principles while seeking God's power to carry it through, then it has been a fruitless endeavour. But if you are convinced that the Second Coming is closer than we could have ever imagined and that the outpouring of the Holy Spirit will only be poured out once we "GO", then be praying for yourselves, your church, your Conference as we move together under the leadership of Jesus and the Power that comes from His throne.

The next two years leading up to 2020 will be a telling sign of whether we will be a Conference that will be holding dearly onto Jesus or going back to business as usual. We are beginning to hit that point in which our funerals will greatly outpace our baptisms. We are not looking for numbers here in our Conference, we are looking at seeing changed lives, first for our members and second for those they will reach.

I pray that there will be two things that will have been accomplished from you attending Camp Meeting this year. One, that you will have a deeper relationship with Christ while relying totally on His power and two, that you will take a step in faith to reach someone else with our Christ centred message of Hope and Wholeness.

As you return to your churches we are praying now that every church in our Conference will now move towards a strategic plan to reach those outside your doors by "mingling" with others in our communities. It is by this method alone that our churches in this Conference will begin to be transformed. You will be transformed just like the disciples where when Jesus sent them out. It is by going that we will be transformed and not by waiting for God to move the waters first. Saturate yourself and your church in prayer for those that walk in our doors and for those that Christ would have us "mingle" with. Without prayer, nothing can be accomplished.

For those that have missed these Christ centred messages presented at Camp Meeting this year you can go to the Maritimesda.com and listen to every presentation given. God has answered our prayers by bringing the needed messages through our speakers to this Camp Meeting. Not the messages we might have wanted to hear, but the ones that God needed us to hear. Now it is time for you to put the Lord to the test and "GO".

Paul Llewellyn, President, Maritime Conference
