President's Welcome

Welcome to 2019 Camp Meeting at beautiful Camp Pugwash. I want to begin by asking a quick question that might get you thinking and prepared for our 10 days together. How many more camp meetings will we have before Jesus returns? Could you imagine having another 25 more? Now here comes a harder question. Where will you be in 25 years?

My wife and I thought that we should not have children when we got married because we thought that His coming was right around the corner. Twenty-three years later and with two adult children my wife and I are still eagerly waiting for Jesus to return. Are we missing a secret ingredient in order to speed up or hasten His coming?

A few weeks ago, I was cleaning up the Conference Office Basement and I came across a large file that has been compiled over the last 30 years. It was a file of all the initiatives that the GC and NAD have come up with in order to prepare the "Church" to hasten the coming of the Lord. There were evangelism files, marriage and family files, youth files, Bible study files, Stop Smoking files, etc.

I believe with my whole heart that we are missing something. I believe we are missing Jesus. Our 2019 Camp Meeting will be focusing on Jesus. How to move from a head knowledge of Jesus to a heart connection with Jesus. When the heart and head become connected, I believe that we will become the Church that God is preparing to share the Three Angels Message. When God's last day people start to manifest the Character of God in their own lives, I believe that He will have a church that is ready for heralding the last call for a dying world. Today as we prepare for our 2019 Camp Meeting let us make it "all about Jesus".

"The fruit of the Spirit is love, joy, peace, longsuffering, gentleness, goodness, faith, meekness, temperance." Galatians 5:22, 23. This fruit can never perish, but will produce after its kind a harvest unto eternal life.

"When the fruit is brought forth, immediately he putteth in the sickle, because the harvest is come." Christ is waiting with longing desire for the manifestation of Himself in His church. When the character of Christ shall be perfectly reproduced in His people, then He will come to claim them as His own." – {COL 69.1}
