Camp Meeting 2019 is coming to a close and this past week has been filled with the most precious Christ centred sermons and presentations that we have ever had. The messages were shared in order to bring us in to a

deeper more fulfilling relationship with Jesus. I want to challenge everyone who has attended and who will listen to the presentations online to deeply pray about all that we have learned about Jesus and about ourselves. In fact, it would be wonderful to have every church this coming Sabbath, August 10 to have a sharing service in which our members share what they learned this camp meeting and how to share it in their church and especially in their communities.

Most of us know the kid's song "This little light of mine, I'm going to let it shine" and the succeeding verses to the song. It is a song about sharing Jesus and not hiding our light under a bushel (or bucket) or hiding it in a church on Sabbath. Then it goes onto sing "all around our neighbourhood, I'm going to let it shine". This is our greatest challenge for all of our churches in the Maritimes and not just here but worldwide. It is a song that all Laodicean churches need to not only sing but to put into practice. So, as we leave our wonderful experience at Camp Meeting this year, how will you put into practice letting this light shine in your neighbourhoods.

As I said in my opening remarks of our first Camp Meeting News Letter; how many more camp meetings will we have before Jesus comes back to take us home? Will we be meeting 25 years from now still waiting for Jesus to return? Before Christ comes to take us home, His last day church will be a church that fully reflects the character of our Lord and Saviour. So, till we meet again at camp meeting 2020 I want to leave you with the same quote that I began with so that we can put into practice all that we learned and experienced this past camp meeting.

***"The fruit of the Spirit is love, joy, peace, longsuffering, gentleness, goodness, faith, meekness, temperance." Galatians 5:22, 23.*** This fruit can never perish, but will produce after its kind a harvest unto eternal life.

***"When the fruit is brought forth, immediately he putteth in the sickle, because the harvest is come." Christ is waiting with longing desire for the manifestation of Himself in His church. When the character of Christ shall be perfectly reproduced in His people, then He will come to claim them as His own.***
